Purified Physalis pubescens var. missouriensis (Mack. & Bush) Waterf. -- Rhodora 70: 575. 1968 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis pubesecens var. missouriensis (Mack. & Bush) Waterf. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis pumila Nutt. -- Trans. Amer. Philos. Soc. ser. 2, 5: 193. 1836 [early 1836] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis pumila Nutt. -- Trans. Amer. Philos. Soc. ser. 2, 5(art. 6): 193. 1836 [early 1836] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis pumila Nutt. subsp. hispida (Waterf.) W.F.Hinton -- Syst. Bot. 1(2): 188. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis pumila Nutt. var. hispida (Waterf.) J.R.Sullivan -- Rhodora 115(963): 291. 2013 [1 Aug 2013] [epublished]

Purified Physalis pumila Nutt. subsp. hispida (Waterf.) W.F.Hinton -- Syst. Bot. 1(2): 188. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis pumila Nutt. var. sonorae Torr. -- Rep. U.S. Mex. Bound., Bot. [Emory] 153. 1858 [Jul-Dec 1858] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis purpurea Wiggins -- Contr. Dudley Herb. 3: 74, tab. 19, fig. 9, 10. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis purpurea Wiggins -- Contr. Dudley Herb. iii. 74 (1940). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis queretaroensis M.Martínez & Lizb.Hern. -- Acta Bot. Mex. 46: 73 (1999). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis queretaroensis M.Martínez & L.Hern. -- Acta Bot. Mex. 43: 73 (-76, fig.). 1999 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis quillabambensis D.Medina -- Arnaldoa 5(2): 211 (-213, fig.). 1998 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis quillabambensis D.Medina -- Arnaldoa 5(2): 211. 1998 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis ramosa Mill. -- Gard. Dict., ed. 8. n. 9. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk

Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis ramosa Xaares ex Zuccagni -- Cent. Observ. Bot. [p. 17]. 1806 [Apr 1806 publ. Dec 1806] ; preprinted from J.J. Roemer's Collecteana, see p. 129 (1806-1810) as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis ramosa Forssk. -- Fl. Aegypt.-Arab. 204. 1775 [1 Oct 1775] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis ramosissima Mill. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 449. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis ramosissima Mill. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis repens Nakai -- Bot. Mag. (Tokyo) 29: 3. 1915 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis rigida Pollard & Ball -- Proc. Biol. Soc. Washington xiii. 134. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis rigida Pollard & Ball -- Proc. Biol. Soc. Washington 13: 134. 1900 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis rothiana Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 677. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis rothiana Herb.Berol. ex Nees -- Linnaea 6: 467. 1831 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis rotundata Rydb. -- Mem. Torrey Bot. Club 4: 352. 1896 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis rotundata Rydb. -- Mem. Torrey Bot. Club iv. (1893) 352. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis rydbergii Fernald -- Proc. Amer. Acad. Arts xxxv. 569. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis rydbergii Rusby -- Bull. New York Bot. Gard. iv. 423 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis rydbergii Rusby -- Bull. New York Bot. Gard. 4: 423. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis rydbergii Fernald -- Proc. Amer. Acad. Arts 35: 569. 1900 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis sabeana Buckley -- Proc. Acad. Nat. Sci. Philadelphia 1862 (1863) 6. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis sagunda Walp. -- Repert. Bot. Syst. (Walpers) iii. 23, sphalm. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis saltillensis Fernald -- Proc. Amer. Acad. Arts 35: 568. 1900 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis saltillensis Fernald -- Proc. Amer. Acad. Arts xxxv. 568. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis virginiana var. polyphylla (Greene) Waterf. -- Rhodora 60: 156. 1958 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis virginiana f. sanguinea Farw. -- Asa Gray Bull. 4: 62. 1896 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis virginiana var. sonorae (Torr.) Waterf. -- Rhodora 60: 154. 1958 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis virginiana var. sonorae Waterf. -- Rhodora 60 1958 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis virginiana var. subglabrata (Mack. & Bush) Waterf. -- Rhodora 60: 152. 1958 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis virginiana var. texana (Rydb.) Waterf. -- Rhodora 60: 153. 1958 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis virginica A.Gray -- Proc. Amer. Acad. Arts x. (1875) 65. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viridoflava Waterf. -- Rhodora xix. 230 (1967). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viridoflava Waterf. -- Rhodora 69: 230. 1967 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscida Ridl. -- J. Linn. Soc., Bot. 27: 49. 1890 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscida Ridl. -- J. Linn. Soc., Bot. xxvii. (1890) 49. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscido-pubescens Dunal -- Prodr. [A. P. de Candolle] 13(1): 442. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa Elliott -- Sketch Bot. S. Carolina [Elliott] 1: 279. 1817 [Mar 1817] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa L. -- Sp. Pl. 1: 183. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk

Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa L. -- Species Plantarum 2 1753 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa A.Gray -- Manual (Gray) 354. 1848 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa var. cinerascens (Dunal) Waterf. -- Rhodora 60: 136. 1958 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa L. var. cinerascens (Dunal) Waterf. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa L. var. elliottii (Kunze) Waterf. -- Rhodora 60(713): 134. 1958 [19 Jun 1958] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa L. f. elliottii (Kunze) Waterf. -- Rhodora 60(713): 134. 1958 [19 Jun 1958] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa var. fusco-maculata Thell. -- Fl. Advent. Montpellier 448. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa f. glabra Waterf. -- Rhodora 60: 135. 1958 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa f. latifolia Waterf. -- Rhodora 60: 134. 1958 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa var. maritima Rydb. -- Mem. Torrey Bot. Club 4: 357. 1896 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa var. maritima (M.A.Curtis) Rydb. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa subsp. maritima (M.A.Curtis) Waterf. -- Rhodora 60: 134. 1958 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa subsp. mollis (Nutt.) Waterf. -- Rhodora 60: 135. 1958 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa var. nyctaginea (Dunal) Alph.Wood -- Class-book Bot. (ed. 1861). 579. 1861 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa var. sinuato-dentata Schltdl. -- Linnaea 19: 309. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa var. sinuato-dentata Schltdl. -- Linnaea 19: 309. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa var. spathulifolia (Torr. ex Emory) A.Gray -- Proc. Amer. Acad. Arts 10: 67. 1874 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis viscosa var. yucatanensis Waterf. -- Rhodora 69: 104. 1967 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis volubilis Waterf. -- Rhodora 69: 229. 1967 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis volubilis Waterf. -- Rhodora xix. 229 (1967). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis walteri Nutt. -- J. Acad. Nat. Sci. Philadelphia vii. (1834) 112. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis walteri Nutt. var. glabra (Waterf.) D.B.Ward -- Phytologia 90(2): 200 (-201). 2008 [Aug 2008]

Purified Physalis waterfallii O.Vargas, M.Martínez & Dávila -- Acta Bot. Mex. 48: 22 (21-26, figs. 1-2). 1999 [Sep 1999] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis waterfallii O.Vargas, M.Martínez & P.A.Dávila Aranda -- Acta Bot. Mex. 48: 22 (1999). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis wrightii A.Gray -- Proc. Amer. Acad. Arts x. (1875) 63. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Physalis xalapensis Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 13. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amblymerum Dunal -- Prodr. [A. P. de Candolle] 13(1): 294. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ambosinum Ochoa -- Biota 1: 7, fig. 3, 4. 1954 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ambosinum Ochoa -- Biota i. 7 (1954). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ambrosiacum Vell. -- Fl. Flumin. 90. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 131. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum americanum Mill. -- The Gardeners Dictionary 1768 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum americanum Mill. -- Gard. Dict., ed. 8. [unpaged] Solanum no. 5. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum americanum Mill. -- Gard. Dict., ed. 8. n. 5. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum americanum Mill. var. baylisii D'Arcy -- Ann. Missouri Bot. Gard. 61(3): 837. 1974 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum americanum Mill. var. nodiflorum (Jacq.) Edmonds -- J. Arnold Arbor. 52(4): 634. 1971 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum americanum Mill. subsp. nodiflorum (Jacq.) R.J.F.Hend. -- Austrobaileya 2(5): 555 (1988):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum americanum var. nodiflorum (Jacq.) Edmonds -- Journal of the Arnold Arboretum 52 1971 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum americanum subsp. nodiflorum (Jacq.) R.J.F.Hend. -- Austrobaileya 2(3) 1984 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum americanum Mill. subsp. nutans (R.J.F.Hend.) R.J.F.Hend. -- Austrobaileya 2(5): 555 (1988):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum americanum subsp. nutans (R.J.F.Hend.) R.J.F.Hend. -- Austrobaileya 2(3) 1984 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

* Purified Solanum americanum Mill. var. odishense Kalidass & P.Murugan -- Bangladesh J. Pl. Taxon. 23(1): 83, fig. 1. 2016 [Jun 2016] (as "var. odishensis")

Purified Solanum americanum Mill. var. patulum (L.) Edmonds -- Bot. J. Linn. Soc. 75: 171. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum americanum Mill. var. patulum (L.) J.M.Edmonds -- Bot. J. Linn. Soc. 75(2): 171. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amethystinum (Kuntze) Heiser -- Ceiba iv. 296 (1955). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amethystinum Poit. ex Hook.f. -- Bot. Mag. 115: t. 7062. 1889 In syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amethystinum Poit. ex Hook.f. -- Bot. Mag. 115: t. 7062. 1889 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amethystinum (Kuntze) Heiser -- Ceiba 4: 296. 1955 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amicorum Benth. -- London J. Bot. 2: 227. 1843 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amictum Moric. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 263. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amictum Moric. ex Dunal var. fructipendulum (Sendtn.) Dunal -- Prodr. [A. P. de Candolle] 13(1): 264. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ammophilum A.R.Bean -- Austrobaileya 6(4): 789 (-792; fig. 42). 2004

Purified Solanum amnicola S.Knapp -- Brittonia 38: 295 (-297), fig. 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amnicola S.Knapp -- Brittonia 38(3): 295 (1986). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amoenum Jungh. -- Hoev. & De Vriese, Tijdschr. vii. (1840) 309. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amorimii S.Knapp & Giacomin -- PhytoKeys 47: 7. 2015 [10 Mar 2015] [epublished]

Purified Solanum amotapense Svenson -- Amer. J. Bot. 33: 483 (t. 19, fig. 1). 1946 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amotapense Svenson -- Amer. J. Bot. xxxiii. 483 (1946). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amplexicaule Sendtn. -- Fl. Bras. (Martius) 10: 14. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amplexicaule var. pubescens Glaz. -- Bull. Soc. Bot. France 58(Mém. 3f): 491. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amygdalifolium Steud. -- Nomencl. Bot. [Steudel], ed. 2. 2: 600. 1841 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum amygdalifolium Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 600. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anacamptocarpum Dunal -- Prodr. [A. P. de Candolle] 13(1): 59. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anacamptorhachis Bitter -- Repert. Spec. Nov. Regni Veg. 18: 53. 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anacamptorhachis Bitter -- Repert. Spec. Nov. Stud. 82): 5. 1988. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum angustispinosum De Wild. -- Bull. Jard. Bot. État Bruxelles 4: 397. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum angustum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 588. Textfig. 190 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum angustum Domin -- Biblioth. Bot. lxxxix. 588 (1929). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anisantherum Dammer -- Bot. Jahrb. Syst. 38(2): 187. 1906 [1907 publ. 14 Aug 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anisocladum Giacomin & Stehmann -- J. Bot. Res. Inst. Texas 7(1): 97. 2013 [27 Aug 2013]

Purified Solanum anisophyllum Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 52. 1870 [1 Jun 1870] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anisophyllum Elmer -- Leafl. Philipp. Bot. viii. 2830 (1915). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ankazobe D'Arcy & Rakot. -- Fl. Madag. Fam. 176: 67 (1994). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum annonifolium Dunal -- Solan. Syn. 15. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum annuum C.V.Morton -- Revis. Argentine Sp. Solanum 102. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum annuum C.V.Morton -- Revis. Argentine Sp. Solanum 102 (-104), figs. 7i-k. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anoacanthum Sendtn. -- Fl. Bras. (Martius) 10: 66. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anoacanthum Sendtn. -- Fl. Bras. (Martius) 10: 66. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anodontum H.Lév. & Vaniot -- Monde Pl. sér. 2, 10: 37. 1908 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anomalocalyx Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 52, 126, fig. 42. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anomalocalyx Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 52, 126. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anomalocalyx var. brachystylum Cárdenas & Hawkes -- J. Linn. Soc., Bot. 53: 105. 1946 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anomalocalyx var. llallaguanianum Cárdenas & Hawkes -- J. Linn. Soc., Bot. 53: 104. 1946 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anomalocalyx Hawkes var. murale Cárdenas & Hawkes -- J. Linn. Soc., Bot. 53: 106. 1946 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anomalostemon S.Knapp & M.Nee -- Novon 19(2): 178 (-181; fig. 1). 2009 [18 Jun 2009]

Purified Solanum anomalum Thonn. -- Beskr. Guin. Pl. 126. 1827 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anomalum Thonn. var. cinerascens Bitter -- Bot. Jahrb. Syst. 57(2): 274. 1921 [6 May 1921]

Purified Solanum anomalum Thonn. var. trifurcatum Bitter -- Bot. Jahrb. Syst. 57(2): 273. 1921 [6 May 1921]

Purified Solanum anoplocladum Dunal -- Prodr. [A. P. de Candolle] 13(1): 346. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum antacochense Ochoa -- Amer. Potato J. 58(3): 127 (1981). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum antalaha D'Arcy & Rakot. -- Fl. Madag. Fam. 176: 68 (1994). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum anthropophagorum Seem. -- Bonplandia 9: 258. 1861 ; 10: 274, t. 14 (1862) as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum antidotum Dammer -- Pflanzenw. Ost-Afrikas C (1895) 355. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum antiguense J.M.Coult. -- in J. D. Smith, Enum. pl. Guatem. iv. (1895) 187. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum antiguense J.M.Coult. -- Enum. Pl. Guatem. 4: 187. 1895 Name only as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum antillarum O.E.Schulz -- Symb. Antill. (Urban). 6(1): 117, 164. 1909 [15 Jul 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum antillarum O.E.Schulz -- Symb. Antill. (Urban). 6(1): 164. 1909 [15 Jul 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum antipovichi Bukasov ex Rybin -- Trudy Prikl. Bot. ser. 20: 700. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum antipovichi Bukasov ex Rybin var. neoantipoviczii (Bukasov) Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 35. 1944 as Antipoviczii as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum antipoviczii Bukasov -- Bull. Applied Bot., Leningrad, Suppl. 47, pp. 60, 216, 480 (1930). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum antisuyo Särkinen & S.Knapp -- PhytoKeys 44: 47. 2015 [13 Jan 2015] [epublished]

Purified Solanum apaense Chodat -- Veg. Parag. 73 (1916). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum apaense Chodat -- Bull. Soc. Bot. Genève ser. 2, 8: 155, fig. 50. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum apalophyllum Dunal -- Prodr. [A. P. de Candolle] 13(1): 42. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum apaporanum R.E.Schult. -- Bot. Mus. Leafl. 13: 292. 1949 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum apaporanum R.E.Schult. -- Bot. Mus. Purified Solanum armentalis J.L.Gentry & D'Arcy -- Ann. Missouri Bot. Gard. 64: 376 (-378), fig. 1. 1978 77 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum armourense A.R.Bean -- Telopea 9(3): 656. 2002 [2001 publ. 5 Jan 2002] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum arnezii Cárdenas -- Bol. Soc. Peruana Bot. 5: 37. 1956 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum arnezii Cárdenas -- Bol. Soc. Peruana Bot. v. 37 (1956); cf. Gray Herb. Card Cat. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum arrabidae Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 600. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum arrabidae -- Nom. Bot. ed. 2, 2: 600. 1841 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum arrazolense J.M.Coult. & Donn.Sm. -- Bot. Gaz. 37(6): 421. 1904 [Jun 1904] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum arrazolense J.M.Coult. & Donn.Sm. -- Bot. Gaz. 37: 421. 1904 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum arrazolense J.M.Coult. -- Enum. Pl. Guatem. 4: 110. 1895 ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum arrebenta Vell. -- Fl. Flumin. 89. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 127. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum arrebenta Vell. -- Fl. Flumin. 89. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 127. 1831 [1827 publ. 29 Oct 1831]. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum artense Montr -- Mem. Acad. Lyon x. (1860) 245. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum arundo Mattei -- Boll. Ort. Bot. Palermo vii. 188 (1908). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum asarifolium Kunth & C.D.Bouché -- Index Seminum [Berlin] 10. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum asarifolium Kunth & C.D.Bouché -- Index Seminum [Berlin] 1845: 10. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ascasabii Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 69, 130, fig. 80. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ascasabii Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 69, 130. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ashbyae Symon -- Journal of the Adelaide Botanic Gardens 4 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ashbyae Symon -- J. Adelaide Bot. Gard. 4: 223. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum asiae-mediae Pojark. -- Bot. Mater. Gerb. Bot. Inst. Komarova Akad. Nauk S.S.S.R. 17: 330. 1955 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum asperolanatum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 39. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum asperolanatum var. tovarianum J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13(V-B, 1): 247. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum asperrimum Bitter & Moritz -- Repert. Spec. Nov. Regni Veg. 16: 393. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum asperrimum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 393. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum aspersum S.Knapp -- PLoS ONE 5(5): e10502 (2 (-3; fig. 1)). 2010 [5 May 2010]

Purified Solanum asperum Sieber ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 107. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum asperum Vahl as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum barbisetum Nees -- Trans. Linn. Soc. London 17(1): 51. 1834 [1837 publ. 26 Apr-8 May 1834] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum barbisetum Nees var. griffithii Prain -- J. Asiat. Soc. Bengal, Pt. 2, Nat. Hist. 65: 541. 1896 [1 Oct 1896]

Purified Solanum barbulatum Zahlbr. -- Ann. Nat. Hofmus. Wien. vii. (1892) 6. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum barbulatum Zahlbr. -- Ann. K. K. Naturhist. Hofmus. 7: 6. 1892 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum baretiae Tepe -- PhytoKeys 8: 39 (-45; figs. 1-2). 2012 [3 Jan 2012] [epublished]

Purified Solanum basendopogon Bitter -- Repert. Spec. Nov. Regni Veg. 12: 1. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum basendopogon Bitter -- Repert. Spec. Nov. Regni Veg. 12: 1. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum basendopogon Bitter f. obtusum Correll -- Wrightia 2: 170. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum basilobum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 215. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum basilobum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 215. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bassovia Dunal -- in Poir. Encyc. Suppl. iii. 754. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bassovia Mart. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 406. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bassoviicarpum Rusby -- Bull. New York Bot. Gard. 4: 419. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bassoviicarpum Rusby -- Bull. New York Bot. Gard. iv. 419 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum batangense Dammer -- Bot. Jahrb. Syst. 48(1-2): 239. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum batatas (L.) Aikman -- Hort. Amer. [Barham] 222, 153. 1794 ; cf. D.J. Mabberley in Taxon, 30(1): 13 (1981) as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs)

when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bathocladon Dammer -- Bot. Jahrb. Syst. 28(4): 476. 1900 [13 Jul 1900] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum batoides D'Arcy & Rakot. -- Fl. Madag. Fam. 176: 75 (1994). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum baturitense Huber -- Bull. Herb. Boissier ser. 2, 1: 322. 1901 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bauerianum Endl. -- Prodromus Florae Norfolkicae 1833 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bauerianum Endl. -- Prod. Fl. Norf. 54. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum baylisii Geras. -- Novosti Sist. Vyssh. Rast. 7: 272. 1971 [1970 publ. 1971] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum beaugleholei Symon -- Journal of the Adelaide Botanic Gardens 4 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum beaugleholei Symon -- J. Adelaide Bot. Gard. 4: 266. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bejarense Moric. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 330. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum belense Merr. & L.M.Perry -- J. Arnold Arbor. xxx. 50 (1949). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum belfort Vand. -- Fasc. Pl. 11. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum belfortianum Dunal -- Hist. Nat. Solanum 242. 1813 [19 Mar 1813] ; orth. var. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum belizense Lundell -- Contr. Univ. Michigan Herb. 7: 48. 1942 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum belizense Lundell -- Contr. Univ. Michigan Herb. No. 7, 48 (1942). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bellicosum Bitter -- Repert. Spec. Nov. Regni Veg. Beih. 16: 39. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bellum S.Knapp -- Brittonia 38(3): 294 (1986). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bellum S.Knapp -- Brittonia 38: 294, fig. 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum benadirense Chiov. -- Res. Sci. Somalia Ital. 1: 126. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum benderianum Schimp. ex Engl. -- Abh. Königl. Akad. Wiss. Berlin 1891(2): 372. 1892 ; nom. inval.

Collect. 2: 52, 127, fig. 43. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brevipedicellatum K.E.Roe -- Brittonia 19: 361. 1967 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brevipedicellatum Roe. -- Brittonia xix. 361 (1967). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brevipedunculatum Rusby -- Bull. New York Bot. Gard. iv. 421 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brevipedunculatum Rusby -- Bull. New York Bot. Gard. 4: 421. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brevipedunculatum Li Bing Zhang & Yi F.Duan -- Phytotaxa 170(4): 280. 2014 [4 Jun 2014] [epublished] as 'brevipedunculata' ; nom. illeg.

Purified Solanum brevipes Dunal -- Prodr. [A. P. de Candolle] 13(1): 203. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brevipilosum Dunal -- Prodr. [A. P. de Candolle] 13(1): 199. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brevipilum Dunal -- Hist. Nat. Solanum 191. t. 21. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brevistylum Wittm. in Berthault -- Ann. Sci. Agron. Franc. Etrangere (ser. 3) 6(2): 185, tab. 3. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brevistylum Wittm.apud Berthault -- Ann. Sci. Agron. Franc. & Etrang. Ser. 3, vi. 185 (1911); cf. Gray Herb.Card Cat. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bridgesii Phil. -- Linnaea 33: 203. 1864 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bridgesii A.DC. -- Arch. sci. phys. & nat. xv. (1886) extr. 16. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bridgesii A.DC. -- Arch. Sci. Phys. Nat. ser. 3, 15: 437. 1886 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bridgesii var. deltoideum Witasek -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. 79: 327. 1910 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bridgesii var. ocellatum Witasek -- Anales Univ. Chile 124: 460. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brieyi De Wild. -- Bull. Jard. Bot. État Bruxelles 4: 404. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brisbanense (Geras.) Geras. -- Novosti Sist. Vyssh. Rast. 7: 273. 1971 [1970 publ. 1971] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brisbanense Geras. -- Novitates Systematicae Plantarum Vascularium (Leningrad) 7 1971 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brittonianum Morong -- Ann. New York Acad. Sci. 7: 174. 1893 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brittonianum Morong -- Ann. New York Acad. Sci. vii. (1893) 174. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bromoense Kuntze -- Revis. Gen. Pl. 2: 453. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brownii Chodat -- Bull. Herb. Boissier ser. 2, 2: 747. 1902 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L.

based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brownii Chodat -- Bull. Herb. Boissier Ser. II. ii. 747. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brownii Dunal -- Histoire Naturelle, m?dicale et ?conomique des Solanum 1813 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brownii Dunal -- Hist. Nat. Solanum 201. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brucei Delile ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 282. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brucheri Correll -- Wrightia 2: 176. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum bruecheri Correll -- Wrightia ii. 176 (1961). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brusquense L.B.Sm. & Downs -- Phytologia 10: 433. 1964 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum brusquense L.B.Sm. & Downs -- Phytologia x. 433 (1964). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum buchtienii Bitter -- Repert. Spec. Nov. Regni Veg. 10: 558. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum buchtienii Bitter -- Repert. Spec. Nov. Regni Veg. 10: 558. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum buchwaldii Dammer -- Bot. Jahrb. Syst. 38(2): 180. 1906 [1907 publ. 14 Aug 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum buddlejifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 115. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum buddlejifolium Sendtn. -- Fl. Bras. (Martius) 10: 83. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Purified Solanum carmanicum Schönb.-Tem. -- Fl. Iranica [Rechinger] 100: 8. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carnosipes Rusby -- Bull. New York Bot. Gard. 4: 420. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carnosipes Rusby -- Bull. New York Bot. Gard. iv. 420 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carolinense L. -- Sp. Pl. 1: 187. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carolinense L. -- Sp. Pl. 1: 187. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carolinense L. -- Species Plantarum 2 1753 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carolinense var. albiflorum Kuntze -- Revis. Gen. Pl. 2: 454. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carolinense L. f. albiflorum (Kuntze) Benke -- Amer. Midl. Naturalist 22: 213. 1939 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carolinense L. var. floridanum (Shuttlew. ex Dunal) Chapm. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carolinense L. var. floridanum Chapm. -- Fl. South. U.S. 349. 1860 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carolinense L. var. hirsutum D'Arcy -- Ann. Missouri Bot. Gard. 61(3): 840, nom. nov. 1974 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carolinense L. var. hirsutum A.Gray -- Syn. Fl. N. Amer. 2(1): 230. 1878 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carolinense L. var. hirsutum D'Arcy -- Ann. Missouri Bot. Gard. 61(3): 840. 1974 [24 Dec 1974] ; isonym as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carolinense L. var. hirsutum A.Gray as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum caroliniense Mill. -- Gard. Dict., ed. 8. n. 21. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carterianum Rock -- Indig. Trees Haw. Isl. 423. 1913 [26 Jun 1913] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum carvalhoi Dammer -- Pflanzenw. Ost-Afrikas C: 355. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cassioides L.B.Sm. & Downs -- Phytologia x. 430 (1964). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cassioides L.B.Sm. & Downs -- Phytologia 10: 430. 1964 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum castaneum Carvalho -- Pesquisas 46: 19. 1996 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk

Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum castaneum Carvalho -- Pesquisas, Bot., Bras. 46: 19 (1996), nom. nov.:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum catanduvae L.B.Sm. & Downs -- Fl. Ilustr. Catarin. Pt. 1, Solanac. 135 (1966). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum catanduvae L.B.Sm. & Downs in Reitz -- Fl. Ilustr. Catarin. pt. 1, Sola: 135. 1966 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cataphractum Benth. -- Flora Australiensis 4 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cataphractum A.Cunn. ex Benth. -- Fl. Austral. 4: 459. 1868 [16 Dec 1868] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cataractae L.B.Sm. & Downs -- Phytologia 10: 427. 1964 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cataractae Britton ex R.E.D.Baker & N.W.Simmonds -- Fl. Trinidad & Tobago ii. 267 (1953). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cataractae Britton ex Baker -- Fl. Trinidad & Tobago 2(4): 267. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cataractae L.B.Sm. & Downs -- Phytologia x. 427 (1964). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum catarthrum Juz. -- Bull. Acad. Sc. URSS 1937, Ser. Biol. 307. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum catarthrum Juz. -- Izv. Akad. Nauk SSSR, Ser. Biol. 2: 307. 1937 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cathayanum C.Y.Wu & S.C.Huang -- Fl. Reipubl. Popularis Sin. 67(1): 84. 1978; et in Fl. Yunnanica, 2: 572. 1979, nom. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum catilliflorum G.J.Anderson, Martine, Prohens & Nuez -- Novon 16(2): 164 (-167; fig. 1E-H). 2006 [26 Jul 2006]

Purified Solanum catombelense Peyr. -- Sitzungsber. Kaiserl. Akad. Wiss., Math.-Naturwiss. Cl. xxxviii. (1860) 576. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum caucaense (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. 29: 58. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum caucaense (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 58 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum caucaense var. glabrescens C.V.Morton -- Contr. U.S. Natl. Herb. 29: 58. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum caudatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 140. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum caudiculatum Phil. -- Anales Univ. Chile 91: 12. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum caudiculatum Phil. -- in Anal. Univ. Chil. xci. 12. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum caulorhizum Dunal -- Prodr. [A. Regni Veg. 16: 408. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiliadenium Bitter -- Repert. Spec. Nov. Regni Veg. 16: 408. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chillagoense (Domin) A.R.Bean -- Austrobaileya 9(2): 223. 2014 [3 Dec 2014]

Purified Solanum chilliasense Ochoa -- Lorentzia no. 4: 9 (-10). 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chilliasense Ochoa -- Lorentzia 4: 9 (1981). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chillonanum Ochoa -- Phytologia 67(3): 235 (1989), nom. nov.:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiloense (A.DC.) Berthault -- Recherch. Bot. Var. Cult. Solanum tuberosum, etc. 121, 127, 128, 135 (1911). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiloense (A.DC.) Berthault -- Ann. Sci. Agron. Franc. Etrangere ser. 3, 6, 2: 180. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chilotanum Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 79, in obs., nomen provis. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chilotanum Hawkes var. angustifurcatum Lechn. -- Trudy Prikl. Bot. Genet. Selek. 73(2): 116 (1982). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chilotanum Hawkes f. magnicorollatum Lechn. -- Trudy Prikl. Bot. Genet. Selek. 73(2): 116 (1982). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chilotanum Hawkes f. parvicorollatum Lechn. -- Trudy Prikl. Bot. Genet. Selek. 73(2): 116 (1982). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chilotanum Hawkes var. talukdarii Lechn. -- Trudy Prikl. Bot. Genet. Selek. 73(2): 115 (1982). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chimborazense Bitter -- Repert. Spec. Nov. Regni Veg. 10: 539. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chimborazense Bitter & Sodiro -- Repert. Spec. Nov. Regni Veg. 10: 539. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chinense Dunal -- Hist. Nat. Solanum 240. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiovendae Lanza -- Missione Biol. Borana 4: 191. 1939 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chippendalei Symon -- Journal of the Adelaide Botanic Gardens 4 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chippendalei Symon -- J. Adelaide Bot. Gard. 4: 272. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiquidenum Ochoa -- Biota 1: 5, fig. 1, 2. 1954 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiquidenum Ochoa -- Biota i. 5 (1954). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races

(Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiquidenum Ochoa f. amazonense Ochoa -- Phytologia 77(5): 392. 1995 [Nov 1994 publ. 14 Mar 1995] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiquidenum f. amazonense Ochoa -- Phytologia 77: 392. 1995 7666 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiquidenum var. cachicadense Ochoa -- Agronomia (Lima) 26(4): 318, fig. 1959 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiquidenum Ochoa var. gracile Ochoa -- Phytologia 77(5): 391. 1995 [Nov 1994 publ. 14 Mar 1995] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiquidenum var. gracile Ochoa -- Phytologia 77: 391. 1995 7666 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiquidenum Ochoa var. porconense Ochoa -- Agronomia (Lima) 27: 369, fig. 1960 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiquidenum Ochoa var. robustum Ochoa -- Phytologia 77(5): 392. 1995 [Nov 1994 publ. 14 Mar 1995] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiquidenum var. robustum Ochoa -- Phytologia 77: 392. 1995 7666 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiriquinum Standl. -- Ann. Missouri Bot. Gard. 1940, xxvii. 336. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chiriquinum Standl. in Woodson & Schery -- Ann. Missouri Bot. Gard. 27: 336. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chlamydogynum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 398. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysacanthum Dunal -- Prodr. [A. P. de Candolle] 13(1): 330. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysasteroides Werderm. -- Notizbl. Bot. Gart. Berlin-Dahlem 12: 374. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysasteroides Werderm. -- Notizbl. Bot. Gart. Berlin-Dahlem 12: 374. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysiflorum Ochoa -- Hickenia 1(59): 317 (-319), fig. 1982 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysobotrys Hort.Berol. ex Walp. -- Repert. Bot. Syst. (Walpers) iii. 100. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysoflorum Ochoa -- Hickenia 1(59): 317 (1982). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysophyllum Humb. & Bonpl. ex Dunal -- Solan. Syn. 25. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysothrix (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 67 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysothrix (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. 29: 67. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysotrichum C.Wright as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysotrichum Schltdl. -- Linnaea 19: 304. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum chrysotrichum C.H.Wright -- Bull. Misc. Inform. Kew 1894(88): 129. [Apr 1894] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum churuspi Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 64, 129. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum churuspi Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 64, 129, fig. 73. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cicatricosum Chiov. -- Bull. Soc. Bot. Ital. 1925, 106, in clavi. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cicatricosum Chiov. -- Fl. Somala 1: 238. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ciliare Willd. -- Enum. Pl. [Willdenow] 1: 237. 1809 [Apr 1809] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ciliatum Lam. -- Tabl. Encycl. ii. 21. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ciliatum Blume ex Miq. -- Fl. Ned. Ind. ii. 643. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ciliatum Lam. -- Tabl. Encycl. 2: 21. 1794 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ciliolatum M.Martens & Galeotti as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ciliolatum M.Martens & Galeotti -- Bull. Acad. Roy. Sci. Bruxelles 12(1): 140. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cinerescens Pav. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 343. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cinereum R.Br. -- Prodromus Florae Novae Hollandiae 1810 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cinereum R.Br. -- Prodr. Fl. Nov. Holland. 446. 1810 [27 Mar 1810] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cinereum R.Br. -- Voy. Abyss. [Salt] Append. p. lxii. 1814 [Sep 1814] , nom. nud. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cinnamomeum Sendtn. -- Fl. Bras. (Martius) 10: 44 (-45). 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cinnamomeum Sendtn. -- Fl. Bras. (Martius) 10: 44. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter -- Repert. Spec. Nov. Regni Veg. 11: 385. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter -- Repert. Spec. Nov. Regni Veg. 11: 385. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter var. capsibaccatum (Cárdenas) Ochoa -- Phytologia 55: 19. 1984 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter var. capsicibaccatum (Cárdenas) Ochoa -- Phytologia 55: 19. 1984 As circaefolium as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter var. capsicibaccatum (Cárdenas) Ochoa -- Potatoes of S. Amer.: Bolivia 112 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter var. capsicibaccatum (Cárdenas) Ochoa as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter var. capsicibaccatum (Cárdenas) Ochoa -- Phytologia 55(1): 19 (1984):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter var. capsicibaccatum (Cárdenas) Ochoa -- Phytologia 54: 392. 1983 As circaefolium as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter var. capsicibaccatum (Cárdenas) Ochoa -- Phytologia 54(5): 392 (1983):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter var. latifoliolatum (Ochoa) Ochoa -- Phytologia 54(5): 392 (1983):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter var. latifoliolatum (Ochoa) Ochoa -- Phytologia 55: 19. 1984 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter var. latifoliolatum (Ochoa) Ochoa -- Phytologia 54: 392. 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter var. latifoliolatum (Ochoa) Ochoa -- Phytologia 55(1): 19 (1984):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter f. lobatum Correll -- Wrightia 2: 171. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter subsp. quimense Hawkes & Hjert. -- see also Bot. J. Linn. Soc. 91(3): 445 (1985), holotype indicated without full & direct ref., see Art. 45 ICBN(1983). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter subsp. quimense Hawkes & Hjert. -- Bot. J. Linn. Soc. 86: 406. 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter subsp. quimense Hawkes & Hjert. -- Bot. J. Linn. Soc. 86(4): 406 (1983), holotype not indicated;. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter subsp. quimense Hawkes & Hjert. -- Kew Bull. 42(2): 436. 1987 [5 Jun 1987] , Bot. J. Linn. Soc. 86: 406. 1983 [without Latin]; Bot. J. Linn. Soc. 91: 445. 1985 [without exact ref. to above] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circaeifolium Bitter subsp. quimense Hawkes & Hjert. -- Kew Bull. 42(2): 436. 1987 [5 Jun 1987] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circinatum Bohs -- Taxon 44(4): 585 (1995), nom. nov.:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum circinatum Bohs subsp. ramosum (Bohs) Bohs -- J. Bot. Res. Inst. Texas 3(2): 509. 2009 [25 Nov 2009]

Purified Solanum cirrhosum Humb. & Bonpl. ex Dunal -- Solan. Syn. 9. (cyrrhosum). 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cirsioides A.Chev. -- Explor. Bot. Afrique Occ. Franc. i. 461 (1920), nomen. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum citrifolium Willd. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 662. 1819 [Jan-Jun 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum citrifolium f. intermedium Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 218. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum citrifolium var. leucodendron Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 219. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum citrifolium var. ochrandrum (Dunal) Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 218. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum citrifolium var. typicum Hassl. -- Repert. Spec. Nov. Herb. 29: 70 (-71). 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum congense Link -- Enum. Hort. Berol. Alt. 1: 187. 1821 [16 Mar-30 Jun 1821] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum congestiflorum Dunal -- Prodr. [A. P. de Candolle] 13(1): 92. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum congestiflorum Dunal -- Prodr. [A. P. de Candolle] 13(1): 92. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum congestiflorum Dunal var. longifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 92. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum congestiflorum Dunal var. pannosum Reiche -- Anales Univ. Chile 123: 722. 1908 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum congestiflorum Dunal var. syringifolium Reiche -- Anales Univ. Chile 123: 721. 1908 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum congestum Vell. -- Fl. FIum. 82; ii. t. 90 (Lycii sp). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum conglobatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 112. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum conicum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 38, t. 172, f. b. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum conicum Vell. -- Fl. Flumin. 83. 1829 [1825 publ. 7 Sep-28 Nov 1829] Solanum fluminense Steudel, nom. nov. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum conicum Vell. -- Fl. Flumin. 83. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 96. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum coniodes Mor. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 64. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum coniodes Moric. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 64 (-65). 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum conjungens Bitter -- Repert. Spec. Nov. Regni Veg. 11: 12. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum conjungens Bitter -- Repert. Spec. Nov. Regni Veg. 11: 12. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum connatum Correll -- Agric. Monogr. U.S.D.A. 11: 25, fig. 11, 12. 1952 Sect. Tuber. Gen. Solan. N. Am. & Cen. Am as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum connatum Correll -- Agric. Monogr. U.S.D.A. No. 11 (Sect. Tuber. Gen. Solan. N. &-Centr. Amer.) 25 (1952). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum conocarpum Dunal -- in Poir. Encyc. Suppl. iii. 748. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum conraui Dammer -- Bot. Jahrb. Syst. 48(1-2): 242. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum consimile C.V.Morton -- Revis. Argentine Sp. Solanum 215 (-218), fig. 29. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum consimile C.V.Morton -- Revis. Argentine Sp. Solanum 215. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum conspicuum C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 67 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum conspicuum C.V.Morton -- Contr. U.S. Natl. Herb. 29: 67. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum contumazaense Ochoa -- Anales Ci., Univ. Nac. Agrar., Lima 1964, v. 11, N. 2, p. 148–151;. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum contumazaense Ochoa -- cf. S.M. Bukasov & N.F. Bavӯko in Trudy Prikl. Bot. Genet. Selek. 73(2): 17 (1982). 1964 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum convolvuliforme St.-Lag. -- Ann. Soc. Bot. Lyon vii. (1880) 185. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum convolvulus Sendtn. -- Fl. Bras. (Martius) 10: 48. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum convolvulus Sendtn. -- Fl. Bras. (Martius) 10: 48. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum convolvulus var. heterophyllum Witasek -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. 79: 328. 1910 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cookii Symon -- Journal of the Adelaide Botanic Gardens 4 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cookii Symon -- J. Adelaide Bot. Gard. 4: 233. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum copeyanum Bitter -- Repert. Spec. Nov. Regni Veg. 18: 54. 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum copeyanum Bitter -- Repert. Spec. Nov. Regni Veg. 18: 54. 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum coquimbense J.R.Benn. -- Edinburgh J. Bot. 65(1): 91 (-92; fig. 7A-E, map). 2008 [28 Mar 2008]

Purified Solanum coracinum Symon -- Austrobaileya 4(3): 429 (1995). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum corcovadense Gras -- Bull. Soc. Bot. France 10: 590. 1863 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cordatum Pav. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 396. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cordatum Forssk. -- Fl. Aegypt.-Arab. 47. 1775 [1 Oct 1775] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cordicitum S.R.Stern -- J. Bot. Res. Inst. Texas 8(1): 2. 2014 [9 Jul 2014]

Purified Solanum cordifolium Dunal -- in Poir. Encyc. Suppl. iii. 764. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L.

based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cordioides S.Knapp -- Fl. Neotrop. Monogr. 84: 361 (2002). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cordovense Sessé & Moc. -- Fl. Mexic., ed. 2 51. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cordovense Sessé & Moc. -- Fl. Mexic., ed. 2 51. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum coriaceifoliolatum Lechn. -- Byull. Vses. Ord. Lenina Inst. Rast. N.I. Vavilova 105: 11 (1980). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum coriaceum Hook. -- Bot. Mag. 53: t. 2708. 1827 [Jan 1827] ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum coriaceum Dunal -- Hist. Nat. Solanum 197. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum corifolium F.Muell. -- Fragmenta Phytographiae Australiae 2 1861 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum corifolium F.Muell. -- Fragm. (Mueller) 2(16): 166. 1861 [May 1861] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cormanthum Vell. -- Fl. Flumin. 86. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 113. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum coronatum Vell. -- Fl. Flumin. 82. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 92. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum coronopoideum St.-Lag. -- Ann. Soc. Bot. Lyon vii. (1880) 135. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum coronopus Dunal -- Prodr. [A. P. de Candolle] 13(1): 64. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum correllii Ochoa -- Amer. Potato J. 58(5): 223 (1981). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cortex-virens Dunal -- Prodr. [A. P. de Candolle] 13(1): 372. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum corumbense S.Moore -- Trans. Linn. Soc. London, Bot. ser. 2, 4: 404. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum corumbense S.Moore -- Trans. Linn. Soc. London, Bot. 4(3): 404. 1895 [1894-96 publ. Dec 1895] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum corymbiferum J.F.Gmel. -- Syst. Nat., ed. 13[bis]. 2(1): 384. 1791 [late Sep-Nov 1791] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum corymbiflorum (Sendtn.) Bohs -- Taxon 44(4): 584 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum corymbiflorum (Sendtn.) Bohs subsp. mortonianum (L.B.Sm. & Downs) Bohs -- Darwiniana 45(2): 241. 2007 [Dec 2007]

Purified Solanum corymbosum Wight ex Nees -- Trans. Linn. Soc. London 17(1): 48. 1834 [1837 publ. 26 Apr-8 May 1834] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum corymbosum Herb.Banks ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 347. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum corymbosum Noronha -- Verh. Batav. Genootsch. Kunst. 5(Art. 4): 26. 1790 ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum corymbosum Jacq. -- Coll. i. 78. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cosmeticum Delile -- in Rochet, Sec. Voy. Choa 340, nomen. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum costaricense Heiser -- Ceiba iv. 297 (1955). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum costaricense Heiser -- Ceiba 4: 297. 1955 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum costatum M.Nee -- Purified Newsl. 4(3): 74 (2001). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cotoneaster Dunal -- Prodr. [A. P. de Candolle] 13(1): 158. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cotopaxense Dunal -- Prodr. [A. P. de Candolle] 13(1): 139. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cowiei Martine -- PhytoKeys 30: 25. 2013 [27 Nov 2013] [epublished]

Purified Solanum coxii Phil. -- Linnaea 33: 200. 1864 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum coyoacanum Bukasov -- Bull. Applied Bot., Leningrad, Suppl. 47, pp. 60, 219, 480 (1930). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum coyoacanum Bukasov ex Rybin -- Trudy Prikl. Bot. 2nd ser. 20: 700. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassidens C.V.Morton -- Contr. U.S. Natl. Herb. 29: 59. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassidens C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 59 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassiflorum Schott ex Sendtn. -- Fl. Bras. (Martius) 10: 20. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassifolium Lam. -- Tabl. Encycl. 2: 16. 1794 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassifolium Ortega -- Nov. Rar. Pl. Descr. Dec. 117. 1800 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassifolium Ortega -- Nov. Rar. Pl. Descr. Dec. 117. 1800 ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassifolium Salisb. -- Prodr. Stirp. Chap. Allerton 133. 1796 [Nov-Dec 1796] ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassinervium Tepe -- J. Bot. Res. Inst. Texas 3(2): 514 (-516; fig. 2). 2009

Purified Solanum crassipes Phil. -- Anales Univ. Chile 91: 14. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassipes Phil. -- in Anal. Univ. Chil. xci. 14. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassipetalum Wight ex C.B.Clarke -- Fl. Brit. India [J. D. Hooker] 4(10): 231. 1883 [Jun 1883] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassipetalum Wall. -- Fl. Ind. (Carey & Wallich ed.) 2: 256. 1824 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassipetalum Wall. -- Fl. Ind. (Carey & Wallich ed.) 2: 256. 1824 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassissimum Domin -- Biblioth. Bot. lxxxix. 587 (1929), in syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassissimum (Benth.) Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 587 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassitomentosum Domin -- Biblioth. Bot. lxxxix. 584 (1929). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crassitomentosum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 584 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crebrispinum A.R.Bean -- Austrobaileya 6(4): 742 (-744; fig. 30). 2004

Purified Solanum crebrum C.V.Morton & L.B.Sm. -- Revis. Argentine Sp. Solanum 80. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crebrum C.V.Morton -- Revis. Argentine Sp. Solanum 80 (-82), figs. 7A-D, 4. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cremastanthemum Werderm. -- Notizbl. Bot. Gart. Berlin-Dahlem 12: 378. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cremastanthemum Werderm. -- Notizbl. Bot. Gart. Berlin-Dahlem 12: 378. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cremastocarpum K.Schum. & Lauterb. -- Fl. Schutzgeb. Südsee [Schumann & Lauterbach] 534. 1900 [1901 publ. Nov 1900] as key ingredient in indigenous Herbal Formulations after enriching it

Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crenato-dentatum Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crenato-dentatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 54. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crenato-dentatum Dunal var. ramosissimum Dunal -- Prodr. [A. P. de Candolle] 13(1): 54. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crepidotrichum Bitter -- Repert. Spec. Nov. Regni Veg. Beih. 16: 194. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crepinii Van Heurck -- Obs. Bot. 89. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crinitipes Dunal -- Prodr. [A. P. de Candolle] 13(1): 317. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crinitum Lam. -- Tabl. Encycl. ii. 20. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crispulum C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 48 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crispulum C.V.Morton -- Contr. U.S. Natl. Herb. 29: 48. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crispum Bert. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 92. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crispum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 31, t. 158. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crispum var. eleagnifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 92. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crispum var. ligustrinum (Lodd.) Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cristalense Amshoff -- in Rev. Soc. Cubana Bot. xiii. 6 (1956). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cristalense Amshoff -- Revista Soc. Cub. Bot. 13: 6. 1956 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cristalense var. macrospermum Hadač -- Folia Geobot. Phytotax. 5: 431. 1970 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum croatii D'Arcy & R.C.Keating -- Phytologia 34: 282. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum croatii D'Arcy & R.C.Keating -- Phytologia 34(3): 282. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum croceum Dunal -- Hist. Nat. Solanum 241. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crotalobasis Bitter -- Repert. Spec. Nov. Regni Veg. 13: 96. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crotalobasis Bitter -- Repert. Spec. Nov. Regni Veg. 13: 96. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crotonifolium Humb. & Bonpl. ex Dunal -- Solan. Syn. 18. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crotonoides Sieber ex C.Presl -- Abh. Königl. Böhm. Ges. Wiss. ser. 5, 3: 531. 1845 [Jul-Dec 1845] ; Bot. Bemerk. (C. Presl): 101. [Jan-Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crotonoides Michx. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 260. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum crotonoides Lam. -- Tabl. Encycl. ii, 24. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cruciferum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 402. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cruciferum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 402. 1919 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cryptolobum Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 63. 1870 [1 Jun 1870] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cryptopodium F.Phil. -- Cat. Pl. Vasc. Chil. 227, sphalm. 1881 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cuatrecasasii Ochoa -- Phytologia 49: 485. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cuatrecasasii Ochoa -- Phytologia 49(5): 485 (1981). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cubense Dunal -- Prodr. [A. P. de Candolle] 13(1): 379, nomen. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cucullatum S.Knapp -- Brittonia 38(3): 292 (1986). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cucullatum S.Knapp -- Brittonia 38: 292 (-293), fig. 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cuencanum Juz. & Bukasov -- Trudy Prikl. Bot., Ser. A, Socialist. Rasteniev. 10: 52, 59 (1934), in obs.; et in Bukasov, Potatoes (Theoretical Bases Pl. Breeding. ed. Vavilov, iii.) 18 (1937), descr. ross. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cuevoanum Cárdenas -- Bol. Soc. Peruana Bot. v. 36 (1956); cf. Gray Herb. Card Cat. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cuevoanum Cárdenas -- Bol. Soc. Peruana Bot. 5: 36. 1956 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cufodontii Lanza -- Missione Biol. Borana 4: 193. 1939 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cultum (A.DC.) Berthault -- Recherch. Bot. Var. Cult. Solanum tuberosum, etc. 127, 128 (1911). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cultum De Wild. -- Bull. Jard. Bot. État Bruxelles 4: 406. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cumanense Schlecht. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 662. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cumingii Dunal -- Prodr. [A. P. de Candolle] 13(1): 363. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cundinamarcae (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 60 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cundinamarcae (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. 29: 60. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cuneatum Moench -- Methodus (Moench) 476. 1794 [4 May 1794] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cuneifolium Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 623. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cuneifolium Dunal -- Hist. Nat. Solanum 193. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cuneifolium Hort.Avens. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 53. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cunninghamii W.Fitzg. -- Journal and Proceedings of the Royal Society of Western Australia 3 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cunninghamii Benth. -- Flora Australiensis 4 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cunninghamii Benth. -- Fl. Austral. 4: 465. 1868 [16 Dec 1868] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cupulatum Miq. ex C.B.Clarke -- Fl. Brit. India [J. D. Hooker] 4(10): 231. 1883 [Jun 1883] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cupuliferum Greene -- Erythea 3: 72. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum cupuliferum Greene -- Erythea iii. (1895) 72. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum curtilobum Juz. & Bukasov -- Bull. P. de Candolle] 13(1): 74. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum debilissimum Merr. -- Philipp. J. Sci. 23: 265. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decachondrum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 228. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decachondrum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 228. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decachondrum Bitter var. latiusculum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 229. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decachondrum Bitter var. longiusculum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 229. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decaisneanum Schimper ex Bitter -- Repert. Spec. Nov. Regni Veg. Beih. 16: 191, in syn. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decemdentatum Roxb. -- Hort. Bengal. 16 (1814), nomen; Fl. Ind., ed. Carey & Wall., ii. 247 (1824); Fl.Ind., ed. Carey, i. 565 (1832). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decemdentatum Roxb. -- Hort. Bengal. 16; Fl. Ind. i. 565. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decemfidum Pav. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 173. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decemfidum Nees -- Trans. Linn. Soc. London 17(1): 43. 1834 [1837 publ. 26 Apr-8 May 1834]

Purified Solanum decipiens Opiz -- Bercht. & Opiz, Okon.-techn. Fl. Bohm. iii. 24 (Quid ?). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum deckenii Dammer -- Bot. Jahrb. Syst. 48(1-2): 257. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum declinatum Sessé & Moc. -- Fl. Mexic., ed. 2 54. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum declinatum Sessé & Moc. -- Fl. Mexic., ed. 2 54. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decompositiflorum Sendtn. -- Fl. Bras. (Martius) 10: 88. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decorticans Sendtn. -- Fl. Bras. (Martius) 10: 47. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decorticans Sendtn. -- Fl. Bras. (Martius) 10: 47 (-48), t. 4. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decorticans var. laurinum Witasek -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. 79: 343. 1910 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decorticatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 135. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decorticatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 135. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decorum Sendtn. -- Fl. Bras. (Martius) 10: 83. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decorum var. angustifolium Glaz. -- Bull. Soc. Bot. France 58(Mém. 3f): 496. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decorum var. lanuginosum Sendtn. -- Fl. Bras. (Martius) 10: 84. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decurrens Vell. -- Fl. Flumin. 89. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 126. 1831 [1827 publ. 29 Oct 1831]. ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum decurrens Banks ex Dunal -- Prodr. [A. Purified Solanum dewildemanianum Robyns -- Fl. Spermatophyt. Parc Nat. Albert ii. 209 (1947). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diaboli Standl. & L.O.Williams -- Ceiba iii. 59 (1952). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diaboli Standl. & L.O.Williams -- Ceiba 3: 59. 1952 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L.

based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diamantinense Agra -- Novon 9: 292 (-295, figs. 1-2). 1999 [15 Sep 1999] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diamantinense Agra -- Novon 9(3): 292. 1999 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diantherum Vell. -- Fl. Flumin. 83. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 99. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dianthophorum Dunal -- Hist. Nat. Solanum 183. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dianthophorum Dunal -- Histoire Naturelle, m?dicale et ?conomique des Solanum 1813 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dianthum Rusby -- Bull. New York Bot. Gard. 4: 420. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dianthum Rusby -- Bull. New York Bot. Gard. iv. 420 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dibrachiatum Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 59. 1870 [1 Jun 1870] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dichotomum Sessé & Moc. -- Naturaleza (Mexico City) ser. 2, 1, app. 35. 1888 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dichotomum Sessé & Moc. -- Pl. Nov. Hisp. 35 (Naturaleza (Mexico City), Ser. 2, 1: App.); ed. 2, 33. 1888 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dichotomum M.Martens & Galeotti -- in Bull. Acad. Brux. xii. I. 138. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dichotomum Rich. ex Poir. -- Encycl. [J. Lamarck & al.] Suppl. 3. 757. 1814 [3 Sep 1814] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dichotomum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 34. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dichotomum Pav. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 233. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dichotomum Lour. -- Fl. Cochinch. 1: 129. 1790 [Sep 1790] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dichotomum Vand. -- Fasc. Pl. 9. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dichroandrum Dunal -- Prodr. [A. P. de Candolle] 13(1): 86. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dichroanthum Dammer -- Bot. Jahrb. Syst. 53(3-5): 340. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dichrophyllum Dunal -- Prodr. [A. P. de Candolle] 13(1): 48. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dictyoticum Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 661. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum didymacanthum Millsp. -- Publ. Field Columb. Mus., Bot. Ser. 2: 183. 1906 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum didymacanthum Millsp. -- Publ. Field Columb. Mus., Bot. Ser. 2: 183. 1906 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum didymanthum Dunal -- Prodr. [A. P. de Candolle] 13(1): 289. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum didymum Dunal -- Hist. Nat. Solanum 236. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum didymum var. subglabrum Dunal -- Prodr. [A. P. de Candolle] 13(1): 125. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum didymum var. subvirgatum Witasek -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. 79: 338. 1910 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diemii E.Brucher -- Darwiniana 13: 108, fig. 1. 1964 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diemii Brücher -- Darwiniana xiii. 108 (1964). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dietrichiae Domin -- Biblioth. Bot. lxxxix. 576 (1929). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dietrichiae Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 576 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diffusum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 37, t. 171, f. b. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diffusum Roxb. -- Hort. Bengal. 17; Fl. Ind. i. 568. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk

Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diffusum Roxb. -- Hort. Bengal. 17 (1814), nomen; Fl. Ind., ed. Carey & Wall., ii. 250 (1824); Fl.Ind., ed. Carey, i. 568 (1832). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diffusum Link ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 601. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diffusum Vell. -- Fl. Flumin. 83. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 98. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diffusum var. miozygum (Bitter) J.F.Macbr. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diffusum subsp. miozygum Bitter -- Bot. Jahrb. Syst. 54(3, Beibl. 119): 14. 1916 [4 Oct 1916] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diffusum var. miozygum J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 8: 111. 1930 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diflorum Vell. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diflorum Vell. -- Fl. Flumin. 84. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 102. 1831. Purified Solanum diflorum var. angustifolium Kuntze -- Revis. Gen. Pl. 3[3]: 225. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diflorum Vell. var. hygrophilum Kuntze -- Revis. Gen. Pl. 3[3]: 225. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum digitatum Peckolt -- in Zeitschr. Allg. Oesterr. Apoth. Ver. xxi. (1883) 186, nomen. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dillenianum Polgar -- Acta Horti Gothob. xiii. 281 (1939). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dillenii Schult. -- Oestr. Fl. ed. II. i. 393. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dillenii Schult. -- 1: 393. 1814 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dillonii S.Knapp -- PhytoKeys 1: 39 (-42; fig. 3, map). 2010 [1 Nov 2010]

Purified Solanum dimidiatum Sendtn. -- Fl. Bras. (Martius) 10: 102. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dimidiatum Raf. -- Autikon Botanikon 8 1840 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dimidiatum Raf. -- Autik. Bot. 107. 1840 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dimorphandrum S.Knapp -- Bull. Nat. Hist. Mus. London, Bot. 30(1): 21 (-23; figs. 7-8). 2000 [29 Jun 2000] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dimorphandrum S.Knapp -- Bull. Nat. Hist. Mus. London, Bot. 30(1): 21. 2000 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dimorphispinum C.T.White -- Proceedings of the Royal Society of Queensland 50 1939 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dimorphispinum C.T.White -- Proc. Roy. Soc. Queensland 50: 82. 1939 [1938 publ. 1939] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dimorphum Matsum. -- Bot. Mag. (Tokyo) 15: 56. 1901 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dinklagei Dammer -- Bot. Jahrb. Syst. 48(1-2): 241. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dinteri Bitter -- Repert. Spec. Nov. Regni Veg. Beih. 16: 95. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diodontum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 552. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diodontum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 552. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dioicum W.Fitzg. -- J. Proc. Roy. Soc. Western Australia iii. 203 (1918). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dioicum W.Fitzg. -- Journal and Proceedings of the Royal Society of Western Australia 3 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diphyllum Sessé & Moc. -- Fl. Mexic., ed. 2 52. 1894 ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diphyllum Banks ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 170. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diphyllum Osbeck -- Voy. China 1: 328. 1771; et ex D. Don, Prod. Fl. Nep. 96. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diphyllum L. -- Sp. Pl. 1: 184 (-185). 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diphyllum L. -- Sp. Pl. 1: 184. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diphyllum Forssk. -- Fl. Aegypt.-Arab. 63. 1775 [1 Oct 1775] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diphyllum var. pulverulentum Chodat -- Bull. Herb. Boissier ser. 2, 2: 811. 1902 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diplacanthum Dammer -- Bot. Jahrb. Syst. 48(1-2): 245. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diplocincinnum Dammer -- Bot. Jahrb. Syst. 48(1-2): 240. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diploconos (Mart.) Bohs -- Taxon 44(4): 584 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum discolor R.Br. -- Prodr. Fl. Nov. Holland. 445. 1810 [27 Mar 1810] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum discolor Dunal -- Prodr. [A. P. de Candolle] 13(1): 111. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum discolor R.Br. -- Prodromus Florae Novae Hollandiae 1810 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum discolor var. discolor R.Br. -- Proceedings of the Royal Society of Queensland 55 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum discolor var. procumbens C.T.White -- Proceedings of the Royal Society of Queensland 55 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dispar Loisel. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 69. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dissectum Symon -- Austrobaileya 4(3): 432 (1995). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dissimile C.V.Morton -- Contr. U.S. Natl. Herb. 29: 52. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dissimile C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 52 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum distichophyllum Sendtn. -- Fl. Bras. (Martius) 10: 35. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum distichophyllum var. gracile Sendtn. -- Fl. Bras. (Martius) 10: 35. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum distichum Schumach. & Thonn. -- Beskr. Guin. Pl. 122. 1827 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ditrichum A.R.Bean -- Austrobaileya 6(4): 721 (-723; fig. 24). 2004

Purified Solanum divaricatum M.Martens & Galeotti -- in Bull. Acad. Brux. xii. I. 136. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum divaricatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 125. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum divergens Dunal -- Prodr. [A. P. de Candolle] 13(1): 411. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diversiflorum F.Muell. -- Fragm. (Mueller) 6(45): 146. 1868 [Mar 1868] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diversiflorum F.Muell. -- Fragmenta Phytographiae Australiae 6 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diversifolium Humb. & Bonpl. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diversifolium Schltdl. -- Linnaea 19: 297. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diversifolium Humb. & Bonpl. ex Dunal -- Solan. Syn. 8. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum diversifolium Humb. & Bonpl. ex Dunal subsp. chloranthum (Rusby) Bohs -- J. Bot. Res. Inst. Texas 3(2): 509. 2009 [25 Nov 2009]

Purified Solanum doddsii Correll -- Wrightia 2: 186. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum doddsii Correll -- Wrightia ii. 186 (1961). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dolichocarpum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 4. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dolichocarpum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 4. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum dolichocremastrum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 3. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ellipticum var. ellipticum R.Br. -- Flora Australiensis 4 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ellipticum forma ellipticum R.Br. -- Itinera Principum S. Coburgi 1 1883 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ellipticum var. horridum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 588 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ellipticum forma inermis Wawra -- Itinera Principum S. Coburgi 1 1883 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ellipticum var. mollibaccalis J.M.Black -- Transactions and Proceedings of the Royal Society of South Australia 52 1928 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ellipticum var. pannifolium Benth. -- Flora Australiensis 4 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ellipticum var. typicum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 588 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum elongatum hort. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 611. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum elskensii De Wild. -- Bull. Jard. Bot. État Bruxelles 4: 403. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum elvasioides S.Knapp -- Ann. Missouri Bot. Gard. 95(3): 434 (-436; fig. 12). 2008 [23 Sep 2008]

Purified Solanum eminens A.R.Bean -- Austrobaileya 6(4): 754 (-756; fig. 33). 2004

Purified Solanum emmeae Juz. & Bukasov -- Izv. Akad. Nauk SSSR, Ser. Biol. 2: 321. 1937 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum emmeae Juz. & Bukasov -- Bull. Acad. Sc. URSS 1937, Ser. Biol., 321. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum emmottii A.R.Bean -- Austrobaileya 8(3): 422 (-424; fig., map). 2011 [1 Dec 2011]

Purified Solanum emulans Raf. -- Autik. Bot. 107. 1840 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum enantiophyllanthum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 224. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum enantiophyllanthum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 224. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum enchylozum Bitter -- Repert. Spec. Nov. Regni Veg. 18: 64. 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum endlicheri Dunal -- Prodr. [A. P. de Candolle] 13(1): 67. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum endlicheri Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum endlichii Dammer -- Bot. Jahrb. Syst. 53(3-5): 347. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum endoadenium Bitter -- Repert. Spec. Nov. Regni Veg. 12: 546. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum endoadenium Bitter -- Repert. Spec. Nov. Regni Veg. 12: 546. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum endoadenium Bitter var. robustius Bitter -- Repert. Spec. Nov. Regni Veg. 12: 547. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum endopogon (Bitter) Bohs -- Taxon 44(4): 585 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum endopogon (Bitter) Bohs subsp. guianense (Bohs) Bohs -- J. Bot. Res. Inst. Texas 3(2): 509. 2009 [25 Nov 2009]

Purified Solanum endotrichum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 161. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum endotrichum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 161. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum englerianum Dammer -- Pflanzenw. Ost-Afrikas C (1895) 353. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum enneodonton Delile ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 257. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum enoplocalyx Dunal -- Prodr. [A. P. de Candolle] 13(1): 222. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ensifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 186. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum epibyssinum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 439. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum epibyssinum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 439. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum epiphyticum Merr. -- Philipp. J. Sci., C 7: 350. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eremanthum Dunal -- Prodr. [A. P. de Candolle] 13(1): 129. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eremophilum F.Muell. -- Linnaea 25 1853 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eremophilum F.Muell. -- Linnaea 25: 432. 1853 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erianthum D.Don -- Prodr. Fl. Nepal. 96. 1825 [26 Jan-1 Feb 1825] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erianthum D.Don -- Prodromus Florae Nepalensis 1825 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erianthum var. adulterinum (Ham. ex G.Don) Baker & N.W.Simmonds as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erianthum var. adulterinum (Ham. ex G.Don) Baker in R.O.Williams -- Fl. Trinidad & Tobago 2(4): 264. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eriocalyx Dunal -- Prodr. [A. P. de Candolle] 13(1): 124. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eriocalyx Dunal -- Hist. Nat. Solanum 237. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eriocarpum Dunal -- Prodr. [A. P. de Candolle] 13(1): 131. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eriophorum Dunal -- Prodr. [A. P. de Candolle] 13(1): 249. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eriophyllum Dunal -- Solan. Syn. 30. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eriophyllum Dunal -- Solanorum Generumque Affinum Synopsis, seu Solanorum Historiae 1816 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erlansonii auct. -- ex Bukasov, Potatoes (Theoretical Bases Pl. Breeding, ed. Vavilov, iii.) 12(1937), nomen subnudum. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erosomarginatum S.Knapp -- Brittonia 38(3): 273 (1986). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erosomarginatum S.Knapp -- Brittonia 38: 273 (-275), fig. 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erosum Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 83. 1870 [1 Jun 1870] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ervendbergii Rydb. -- Bull. Torrey Bot. Club 51: 153. 1924 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ervendbergii Rydb. -- Bull. Torrey Bot. Club 1924, li. 153. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erysimifolium Delile -- in Rochet, Sec. Voy. Choa 342. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erythracanthum Bojer ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 201. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erythraeum Dunal -- Hist. Nat. Solanum 238. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erythrocarpon G.Mey. -- Prim. Fl. Esseq. 109. 1818 [Nov 1818] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erythrotrichum Fernald -- Proc. Amer. Acad. Arts xxxv. 561. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum erythrotrichum Fernald -- Proc. Amer. Acad. Arts 35: 561. 1900 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eschweilerianum Zipp. ex Miq. -- Fl. Ned. Ind. ii. 642. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum escuintlense (J.M.Coult.) Hunz. -- Kurtziana 5: 166. 1969 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum escuintlense (J.M.Coult.) Hunz. -- Kurtziana v. 166 (1969), in obs. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esculentum Dunal -- Hist. Nat. Solanum 208. t. 3. 1813 [19 Mar 1813] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esculentum Neck. -- Delic. Gallo-Belg. i. 119. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esculentum Drege ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 367. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esculentum Drege ex Dunal var. inerme Dunal -- Prodr. [A. P. de Candolle] 13(1): 355. 1852 [10 May 1852]

Purified Solanum esenbeckii Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 602. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eshbaughianum D'Arcy -- Ann. Missouri Bot. Gard. 60(3): 745. 1974 [1973 publ. 1974] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eshbaughianum D'Arcy -- Ann. Missouri Bot. Gard. 60: 745, fig. 27. 1974 [1973 publ. 1974] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum espinarense Vargas -- Papas Sudper. Pt. 2, 60 (1954). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum espinarense Vargas -- Papas Sudper. 2: 60. 1954 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum estradae L.E.López -- Mutisia 55: 5 (1983). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races

(Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum estradae L.E.López -- Mutisia no. 55: 5(-7), fig. 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esuriale Lindl. -- Three Exped. Australia [Mitchell] 2: 43, in adnot. 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esuriale Lindl. -- in Mitch. Three Exped. ii. 43. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esuriale Lindl. -- Three Expeditions into the interior of Eastern Australia 2 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esuriale var. esuriale Lindl. -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 583 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esuriale forma esuriale Lindl. -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 583 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine

Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esuriale forma rubro-aurantiacum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 583 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esuriale var. sublobatum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 583 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum esuriale forma xanthocarpum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 583 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum etuberosum Lindl. -- Edwards's Bot. Reg. 20: t. 1712. 1834 [1835 publ. 1834] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum etuberosum var. antucense Bitter -- Repert. Spec. Nov. Regni Veg. 11: 376. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum etuberosum Lindl. var. bustillosii Witasek -- Anales Univ. Chile 124: 738. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum etuberosum var. chillanense Bitter -- Repert. Spec. Nov. Regni Veg. 11: 376. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum euacanthum Phil. -- Sert. Mendoc. Alt. 37. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum euchylozum Bitter -- Repert. Spec. Nov. Regni Veg. 18: 64. 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum euracanthum Dunal -- Prodr. [A. P. de Candolle] 13(1): 257. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum eutuberosum Lindl. -- Edwards's Bot. Reg. 20: t. 1712. 1835 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum evolvulifolium Greenm. -- Enum. Pl. Guatem. 6: 26. 1903 Name only; Bot. Gaz. 37: 211. 1904.--Guatemala as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum evolvulifolium Greenm. -- Bot. Gaz. 37: 211. 1904 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum evolvuloides Giacomin & Stehmann -- PhytoKeys 7: 3 (-8; figs. 1-2). 2011 [29 Nov 2011]

Purified Solanum evonymoides Remy as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum evonymoides J.Rémy -- Fl. Chil. [Gay] 5(1): 81. 1849 [late 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum evonymoides J.Rémy as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum evonymoides Sendtn. -- Flora 24(2, Beibl.): 87. 1841 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum exaratum Raf. -- Autik. Bot. 107. 1840 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum exarmatum Anil, Maya, Soumya & K.Murugan -- Phytotaxa 221(3): 296. 2015 [4 Aug 2015] [epublished]

Purified Solanum exasperatum Drege ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 104. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum excelsum Salisb. -- Prodr. Stirp. Chap. Allerton 133. 1796 [Nov-Dec 1796] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum excelsum A.St.-Hil. -- Voy. Distr. Diam. 1: 104. 1833 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum excisirhombeum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 1. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Syst. 50(Suppl.): 552 (-553). 1914 [25 Mar 1914] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum famatinae Bitter & Wittm. -- Bot. Jahrb. Syst. 50(Suppl.): 552. 1914 [25 Mar 1914] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum farinaceum Griff. -- Itin. Pl. Khasyah Mts. 111, No. 148. 1848 ; Posth. Papers, ii. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum farinosum Wall. -- Numer. List [Wallich] n. 2610. 1831 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum farinosum Wall. -- Fl. Ind. (Carey & Wallich ed.) 2: 255. 1824 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fasciatum Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 664. 1819 ; Steud. Nom. ed. 2, 2: 602, sphalm. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fasciculatum Mart. -- Flora 21(2, Beibl.): 81. 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fasciculatum Bitter -- Repert. Spec. Nov. Regni Veg. 13: 100. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fasciculatum F.Muell. -- Fragmenta Phytographiae Australiae 1 1858 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fasciculatum Vell. -- Fl. Flumin. 85. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 106. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fasciculatum Vell. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fasciculatum F.Muell. -- Fragm. (Mueller) 1(5): 123. 1859 [Apr 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fasciculatum Bitter -- Repert. Spec. Nov. Regni Veg. 13: 100. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fastigiatum Willd. -- Enum. Pl. [Willdenow] 1: 235. 1809 [Apr 1809] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fauriei H.Lév. -- Repert. Spec. Nov. Regni Veg. 10: 152. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fecundum A.R.Bean -- Phytotaxa 57: 36. 2012 [20 Jun 2012] [epublished]

Purified Solanum feddei Bitter -- Repert. Spec. Nov. Regni Veg. 12: 67. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum feddei Bitter -- Repert. Spec. Nov. Regni Veg. 12: 67. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum felinum Bitter ex Whalen -- Gentes Herbarum 12(2): 92. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum felinum Bitter ex Whalen -- Gentes Herbarum 12: 92 (-93). 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fendleri Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 130. 1871 [10 Sep 1871] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fendleri Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 2: 130. 1871 [10 Sep 1871] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fendleri A.Gray -- Amer. J. Sci. Arts ser. 2, 22: 285. 1856 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fendleri A.Gray -- Amer. J. Sci. Arts ser. 2, 22: 285. 1856 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fendleri Van Heurck & Müll.Arg. var. arizonicum Hawkes -- Record Scott. Pl. Breed. Sta. 2: 123 (171). 1963 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fendleri Van Heurck & Müll.Arg. var. physaloides Correll -- Agric. Monogr. U.S.D.A. 11: 157, fig. 105, 106. 1952 Sect. Tuber. Gen. Solan. N. Am. & Cen. Am as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fendleri Van Heurck & Müll.Arg. var. texense Correll -- Wrightia 2: 187. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fernandesii V.Samp. & R.L.Moura -- Phytotaxa 270(1): 34. 2016 [12 Aug 2016] [epublished]

Purified Solanum fernandezianum Phil. -- Linnaea 29: 23. 1858 [Feb-Mar 1858] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fernandezianum Phil. -- Linnaea 29: 23. 1858 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferocissimum Lindl. -- Three Exped. Australia [Mitchell] 2: 58, in adnot. 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferocissimum Lindl. -- Three Expeditions into the interior of Eastern Australia 2 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferocissimum Lindl. -- in Mitch. Three Exped. ii. 58. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferocissimum var. ferocissimum Lindl. -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 581 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferocissimum var. hastilobum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 581 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferocissimum var. rectispineum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 580 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferocissimum var. typicum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 580 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferox L. -- Species Plantarum ed. 2, 1 1762 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferox L. -- Sp. Pl., ed. 2. 1: 267. 1762 [Sep 1762] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferox Burm.f. -- Fl. Ind. (N. L. Burman) 56. 1768 [1 Mar-6 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferox Mill. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 299. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferox Jungh. ex Miq. -- Fl. Ned. Ind. ii. 650. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferreyrae Ugent -- Phytologia 31(1): 18. 1975 , as 'ferreyrii' as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferreyrae Ugent -- Phytologia 31: 18 [-20], pl. 1. 1975 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferrugineum Jacq. -- Pl. Rar. Hort. Schoenbr. 3: 46, t. 334. 1798 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ferrugineum Jacq. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium

denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fervens A.R.Bean -- Austrobaileya 6(4): 686 (-688; fig. 17). 2004

Purified Solanum feuillei Dunal -- Prodr. [A. P. de Candolle] 13(1): 70. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ficifolium Ortega -- Nov. Rar. Pl. Descr. Dec. 116. 1800 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ficifolium Pav. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 350. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fiebrigii Bitter -- Repert. Spec. Nov. Regni Veg. 10: 556. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fiebrigii Bitter -- Repert. Spec. Nov. Regni Veg. 10: 556. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fieldingii Moric. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 188. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum filamentum Correll -- Wrightia ii. 174 (1961). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum filamentum Correll -- Wrightia 2: 174. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum filicaule Dammer -- Bot. Jahrb. Syst. 48(1-2): 259. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum filiforme Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 31, t. 159. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum filiforme Pav. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 431. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum filiforme var. lanceolatum Kuntze -- Revis. Gen. Pl. 3[3]: 225. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum filiforme var. normale Kuntze -- Revis. Gen. Pl. 3[3]: 225. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum filiforme var. subdentatum Kuntze -- Revis. Gen. Pl. 3[3]: 226. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum filipes Dunal -- Prodr. [A. P. de Candolle] 13(1): 138. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum filirhachis Giacomin & Stehmann -- PhytoKeys 47: 19. 2015 [10 Mar 2015] [epublished]

Purified Solanum fischeri Dammer -- Pflanzenw. Ost-Afrikas C (1895) 353. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fistulosum Dunal ex Poir. -- Encycl. [J. Lamarck & al.] Suppl. 3. 749. 1814 [3 Sep 1814] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum flaccidum Vell. -- Fl. Flumin. 87. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 115. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum forsteri Seem. -- J. Bot. 1: 207. 1863 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum forsythii Dammer -- Bot. Jahrb. Syst. 38(2): 193. 1906 [1907 publ. 14 Aug 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fortunense Bohs -- Taxon 44(4): 584 (1995), nom. nov.:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fosbergianum D'Arcy -- Ann. Missouri Bot. Gard. 60(3): 700. 1974 [1973 publ. 1974] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fosbergianum D'Arcy -- Ann. Missouri Bot. Gard. 60: 700. 1974 [1973 publ. 1974] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fossarum Dunal -- Prodr. [A. P. de Candolle] 13(1): 145. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fragariifructum Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 53, 129, fig. 47. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fragariifructum Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 53, 129. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fragile Wedd. -- Chlor. Andina 2: 105. 1859 [1857 publ. 10 Oct 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fragile C.Wright ex Griseb. -- Cat. Pl. Cub. [Grisebach] 189. 1866 [May-Aug 1866] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fragrans Hook. -- Bot. Mag. 65: t. 3684. 1838 [1 Oct 1838] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fragrans Hook. -- Bot. Mag. 65: t. 3684. 1838 [1 Oct 1838] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fragrans Ten. -- Index Seminum [Naples (Neapolitano)] 12. 1839 [25 Nov 1839] ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum francisii A.R.Bean -- Austrobaileya 6(4): 768 (-770; fig. 36). 2004

Purified Solanum fraxinellum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 469. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fraxinellum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 469. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fraxinifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 39. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fraxinifolium subsp. pamplonense Bitter -- Repert. Spec. Nov. Regni Veg. 12: 147. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fraxinifolium var. protaxanthum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 147. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum friburgense Giacomin & Stehmann -- PhytoKeys 38: 78. 2014 [4 Jun 2014] [epublished]

Purified Solanum fructu-tecto Cav. -- Icon. [Cavanilles] 4: 5 (t. 309). 1797 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum frutescens A.Braun & C.D.Bouché -- Append. Sp. Hort. Berol. 1853 9. 1853 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fruticosum Mill. -- Gard. Dict., ed. 8. n. 18. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fugax Jacq. -- Coll. iv. 123. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fugax Jacq. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fugax Bert. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 170. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fugax var. albidiochraceum Urb. -- Symb. Antill. (Urban). 8(2): 620. 1921 [1 Jun 1921] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fugax var. angustatum O.E.Schulz ex O.C.Schmidt -- Repert. Spec. Nov. Regni Veg. 32: 93. 1933 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fugax var. flexuosum Urb. -- Symb. Antill. (Urban). 8(2): 620. 1921 [1 Jun 1921] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fulgens (J.F.Macbr.) Roe as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fulgens (J.F.Macbr.) K.E.Roe -- Brittonia 24: 275. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fulgens (Macbr.) K.E.Roe -- Brittonia 24(3): 275. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fultum Schrank ex Sendtn. -- Fl. Bras. (Martius) 10: 49. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fulvidum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 390. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fulvidum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 390. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fulvivillosum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 99. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fulvivillosum Bitter -- Repert. Spec. Nov. Regni Veg. 16: 99. 1919 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fulvum Hiern ex Warm. -- Vidensk. Meddel. Naturhist. Foren. Kjøbenhavn (1877-78) 49. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fundatum C.V.Morton -- Revis. Argentine Sp. Solanum 37, nom. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum fundatum C.V.Morton -- Revis. Argentine Sp. Solanum 37. 1976 C. V. Morton - author as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum furcatum Poir. -- Encyclopedie Methodique. Botanique Suppl. 3 1813 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum furcatum Dunal -- in Poir. Encyc. Suppl. iii. 750. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum furcatum var. acutidentatum Nees -- Nov. Actorum Acad. Caes. Leop.-Carol. Nat. Cur. 19(Suppl. 1): 386. 1843 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum furcatum var. obtusidentatum Nees -- Nov. Actorum Acad. Caes. Leop.-Carol. Nat. Purified Solanum glabratum Dunal var. sepicula (Dunal) J.R.I.Wood -- Handbook Yemen Fl. 227 (1997):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glabrescens Schrark ex Sendtn. -- Fl. Bras. (Martius) 10: 39. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glabrum Dunal -- Prodr. [A. P. de Candolle] 13(1): 102. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glanduliferum Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 37, 118, fig. 21, tab. 2a. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glanduliferum Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 37, 118. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glandulosipilosum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 213. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glandulospilosum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 213. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glandulosum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 35, t. 167. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glandulosum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 35. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glandulosum Sendtn. -- Fl. Bras. (Martius) 10: 52. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glandulosum Sendtn. -- Fl. Bras. (Martius) 10: 52. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glandulosum Banks ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 166. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glandulosum Ruiz & Pav. var. acuminatissimum Kuntze -- Revis. Gen. Pl. 3[3]: 226. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glandulosum Ruiz & Pav. var. normale Kuntze -- Revis. Gen. Pl. 3[3]: 226. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glandulosum Ruiz & Pav. var. stellato-pubescens (Dunal) Kuntze -- Revis. Gen. Pl. 3[3]: 226. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glaucescens Bacle ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 100. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glaucescens Zucc. -- Abh. Math.-Phys. Cl. Königl. Bayer. Akad. Wiss. 2: 325. 1837 [1831-1836 publ. 1837] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glaucophyllum Desf. -- Tabl. École Bot., ed. 3 (Cat. Pl. Horti Paris.) 396. 1829 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glaucophyllum Desf. -- Tabl. École Bot., ed. 3 (Cat. Pl. Horti Paris.) 396. 1829 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glaucum Dunal -- Prodr. [A. P. de Candolle] 13(1): 100; Bertol. Misc. Bot. xii. 46. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glaucum Dunal -- Prodr. [A. P. de Candolle] 13(1): 100. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

* Purified Solanum glaucum Rojas Acosta -- Cat. Hist. Nat. Corrientes 75, 174 (1897). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glaucum Bertol. -- Mem. Reale Accad. Sci. Ist. Bologna 3: 188 (t. 13). 1851 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glaucum-fruticosum Larrañaga -- Escritos Damaso Antonio Larranaga ii. 88 (1923) [Pub. Inst. Hist. Geog. Urug.]; cf. GrayHerb. Card Cat., Issue 117. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glaucum-fruticosum Larrañaga -- Escritos Damaso Antonio Larranaga 2: 88. 1923 Pub. Inst. Hist. Geog. Uruguay as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glaziovii Hiern -- Vidensk. Meddel. Naturhist. Foren. Kjøbenhavn (1877-78) 47. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum globiferum Dunal -- Prodr. [A. P. de Candolle] 13(1): 251. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum globosum H.St.John -- Phytologia 64(3): 169. 1988 ; et Native Hawaiian sp. Solanum (Hawaiian Pl. Stud. 82): 7. 1988. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glochidiatum Dammer -- Pflanzenw. Ost-Afrikas C (1895) 354. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glomuliflorum Sendtn. -- Fl. Bras. (Martius) 10: 24. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glutinosum Dunal -- in Poir. Encyc. Suppl. iii. 79. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glutinosum Dunal -- in J.L.M. Poiret, Encycl. Méthod., Bot. Supp. 3: 769 (1814). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum glutinosum var. irazuense Kuntze -- Revis. Gen. Pl. 2: 454. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gnaphalocarpum Vell. -- Fl. Flumin. 82. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 91. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gonyrhachis S.Knapp -- Bull. Brit. Mus. (Nat. Hist.), Bot. 19: 105, fig. 4. 1989 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum goodspeedii K.E.Roe -- Brittonia 24: 272. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum goodspeedii K.E.Roe -- Brittonia 24(3): 272. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gossypinum Dunal -- Prodr. [A. P. de Candolle] 13(1): 208. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gouakai Dunal -- Prodr. [A. P. de Candolle] 13(1): 177. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum goudotii Dunal -- Prodr. [A. P. de Candolle] 13(1): 158. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum goudotii Dunal -- Prodr. [A. P. de Candolle] 13(1): 158. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum goudotii Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gourlayi Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 43, 120, fig. 27. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gourlayi Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 43, 120. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gourlayi Hawkes subsp. saltense A.M.Clausen & K.A.Okada -- Phytologia 62(3): 166 (1987). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gourlayi subsp. saltense A.M.Clausen & K.A.Okada -- Phytologia 62: 166 (-167). 1987 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracile Sendtn. -- Fl. Bras. (Martius) 10: 13. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracile Dunal -- Prodr. [A. P. de Candolle] 13(1): 54. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracile Moric. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 238. 1852 [10 May 1852] ; pro syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracile Dunal -- Prodromus 13(1) 1852 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracile Otto ex W.H.Baxter -- Hort. Brit. [Loudon], ed. 3. 673. 1839 ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracilescens C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 52 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracilescens Nakai -- ex Makino, Nippon-Shokub. Zukan 185 (1926); cf. Nemoto, Fl. Jap. Suppl. 653(1936). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracilescens C.V.Morton -- Contr. U.S. Natl. Herb. 29: 52. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum graciliflorum Dunal ex Poir. -- Encycl. [J. Lamarck & al.] Suppl. 3. 763. 1814 [3 Sep 1814] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracilifrons Bitter -- Bot. Jahrb. Syst. 54(3, Beibl. 119): 6. 1916 [4 Oct 1916] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracilifrons Bitter -- Bot. Jahrb. Syst. 54(3, Beibl. 119): 6. 1916 [4 Oct 1916] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracilipes Decne. -- Voy. Inde [Jacquemont] 4(Bot.): 113, t. 119. [Apr 1835 - Dec 1844] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracilius Herter -- Revista Sudamer. Bot. 7: 226. 1943 fide Index Kewensis Suppl XI as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracilius Herter -- Revista Sudamer. Bot. 7: 226. 1943 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracilius Herter -- Revista Sudamerica Botanica 7 1943 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracillimum Sendtn. -- Fl. Bras. (Martius) 10: 36. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum gracillimum Sendtn. -- Fl. Bras. (Martius) 10: 36, t. 3. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grandidentatum Phil. -- Anales Mus. Nac., Santiago de Chile (1891) 64. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grandidentatum Phil. -- Anales Mus. Nac., Santiago de Chile 1891: 64. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grandiflorum Sieber ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 325. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grandiflorum hort. ex Steud. -- Nomencl. Bot. [Steudel] 791. 1821 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grandiflorum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 35, t. 168. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grandiflorum Desf. -- Hist. Arb. i. 169. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grandiflorum Vahl ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 313. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grandiflorum var. aberrans J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13(V-B, 1): 250. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs)

when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grandiflorum var. angustifolium Sendtn. -- Fl. Bras. Herb. 1: 108. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grayi Rose var. grandiflorum Whalen -- Wrightia 5(7): 233. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grayi Rose var. grandiflorum Whalen -- Wrightia 5: 233 (-234). 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum greviifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 119. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grewioides Lanza -- Missione Biol. Borana 4: 195. 1939 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum griffithii (Prain) C.Y.Wu & S.C.Huang -- Acta Phytotax. Sin. 16(2): 75. 1978 ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum griffithii (C.B.Clarke) Kuntze -- Revis. Gen. Pl. 2: 454. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grisebachianum Kuntze -- Revis. Gen. Pl. 2: 455. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grisebachianum Kuntze -- Revis. Gen. Pl. 2: 453. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grossedentatum A.Rich. -- Tent. Fl. Abyss. 2: 101. 1850 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grossularia Bitter -- Repert. Spec. Nov. Regni Veg. 10: 537. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grossularia Bitter -- Repert. Spec. Nov. Regni Veg. 10: 537. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grossularia Bitter subsp. protaxanthum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 538. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grossularia Bitter var. subunijugum Bitter -- Repert. Spec. Nov. Regni Veg. 10: 538. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grossum C.V.Morton -- Revis. Argentine Sp. Solanum 178. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grossum C.V.Morton -- Revis. Argentine Sp. Solanum 178 (-181), figs. 23E-H, 24. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum grotei Dammer -- Bot. Jahrb. Syst. 53(3-5): 342. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guamense Merr. -- Philipp. J. Sci., C 9: 139. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guamuchilense Cast.-Campos -- Acta Bot. Mex. 27: 34 fig. 1994 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guamuchilense Cast.-Campos -- Acta Bot. Mex. 27: 34 (1994). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guanicense Urb. -- Symb. Antill. (Urban). 1(3): 399. 1899 [29 Jun 1899] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guanicense Urb. -- Symb. Antill. (Urban). 1(3): 399. 1899 [29 Jun 1899] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guaraniticum A.St.-Hil. -- Mém. Mus. Hist. Nat. 12: 321. 1825 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guaraniticum Hassl. -- Repert. Spec. Nov. Regni Veg. 9: 115. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guaraniticum A.St.-Hil. -- Mém. Mus. Hist. Nat. 12: 321. 1825 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guaraniticum Hassl. -- Repert. Spec. Nov. Regni Veg. 9: 115. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guaraniticum Hassl. var. angustisectum Hassl. -- Repert. Spec. Nov. Regni Veg. 9: 115. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guaraniticum Hassl. f. glabrescens Hassl. -- Repert. Spec. Nov. Regni Veg. 9: 115. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guaraniticum Hassl. f. glabrescens Hass. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guaraniticum Hassl. var. latisectum Hassl. -- Repert. Spec. Nov. Regni Veg. 9: 115. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guaraniticum Hassl. f. pilosula Hass. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guaraniticum Hassl. f. pilosula Hassl. -- Repert. Spec. Nov. Regni Veg. 9: 116. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guatemalense hort. -- ex Gard. and For. v. (1892) 95. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guerreroense Correll -- Agric. Monogr. U.S.D.A. 11: 65, fig. 43, 44. 1952 Sect. Tuber. Gen. Solan. N. Am. & Cen. Am as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guerreroense Correll -- Agric. Monogr. U.S.D.A. No. 11 (Sect. Tuber. Gen. Solan. N. &-Centr. Amer.) 65 (1952). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guianense Klotzsch -- Reis. Br.-Guiana [Ri. Schomburgk] 3: 1154, nomen. 1849 [1848 publ. 7-10 Mar 1849] ; vol. 3 is titled: " Versuch einer Fauna und Flora von Britisch-Guiana". as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum guianense Dunal -- Prodr. [A. P. de Candolle] 13(1): 230. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hainanense Hance -- J. Bot. 6: 331. 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum haitense Dunal -- Prodr. [A. P. de Candolle] 13(1): 167. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum haleakalaense H.St.John -- Pacific Sci. xxiii. 350 (1969). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum halophilum Pax -- Bot. Jahrb. Syst. 39(3-4): 648. 1907 [15 Jan 1907] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hamatile Brandegee -- Univ. Calif. Publ. Bot. vi. 192 (1915). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hamatile Brandegee -- Univ. Calif. Publ. Bot. 6: 192. 1915 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hamulosum C.T.White -- Contributions from the Arnold Arboretum of Harvard University 4 1933 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hamulosum C.T.White -- Contr. Arnold Arbor. 4: 95. 1933 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum handelianum Morong -- Ann. New York Acad. Sci. vii. (1893) 175. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum handelianum Morong -- Ann. New York Acad. Sci. 7: 175. 1893 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hapalosum Ochoa -- Bol. Soc. Argent. Bot. 22(1/4): 297 (-298). 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hapalosum Ochoa -- Bol. Soc. Argent. Bot. 22(1–4): 297 (1983). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hapalum A.R.Bean -- Austrobaileya 6(4): 674 (-676; fig. 13). 2004

Purified Solanum harmandii Bonati -- Bull. Soc. Bot. Genève 1913, Ser. II. v. 310 (1914). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hartwegii Benth. -- Pl. Hartw. [Bentham] 68. 1840 [Mar 1840] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hasslerianum Chodat -- Bull. Herb. Boissier Ser. II. ii. 747. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hasslerianum Chodat -- Bull. Herb. Boissier ser. 2, 2: 747. 1902 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hasslerianum Chodat var. ambiguum Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 236. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hasslerianum var. aureomicans Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 236. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hasslerianum Chodat f. euinerme Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 237. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hasslerianum var. genuinum Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 236. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hasslerianum var. horridum Chodat & Hassl. -- Bull. Herb. Boissier ser. 2, 4: 84. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hasslerianum f. oblongifolium Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 237. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hasslerianum f. quercifolium Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 237. 1918 as quercifollum as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hasslerianum Chodat var. subinerme Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 236. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hastatilobum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 246. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hastatilobum Bitter -- Repert. Spec. Nov. Regni Veg. 11: 246. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hastatilobum Bitter subsp. brachyphyllum Bitter -- Repert. Spec. Nov. Regni Veg. 13: 171. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hastatum Mart. ex Sendtn. -- Fl. Bras. (Martius) 10: 61. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hastifolium Hochst. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 284. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hastiforme Correll -- Wrightia ii. 187 (1961). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hastiforme Correll -- Wrightia 2: 187 (-188). 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hastiformum Correll -- Wrightia 2: 187. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hatschbachii Carvalho -- Ann. Missouri Bot. Gard. 78: 229, fig. 3A-C, 15A. 1991 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hatschbachii Carvalho -- Ann. Missouri Bot. Gard. 78(1): 229 (1991). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hauthalii Bitter -- Bot. Jahrb. Syst. 50(2-3, Beibl. 111): 61. 1913 [19 Aug 1913] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum hauthalii Bitter -- Bot. Jahrb.
